Minnesota Pollution Control Agency
Hazardous Waste Management Unit
1935 W. County Road B-2
Roseville, Minnesota 55113

Gentlemen:

Due to the movement of the North Irathane plant operations to the existing South plant and other managerial changes, an amended disclosure has been completed and is enclosed.

All waste generation previously covered by No. 137A030 is now covered by No. 137A023 in addition to those wastes previously covered by this No.

The plant address for all production operations is:

3804 E. Beltline
Hibbing, MN 55746

while the office address is:

Industrial Park
Hibbing, MN 55746

Please review the amended disclosure and issue MNPCA code hazardous for each of the hazardous waste streams listed.

Thank you.

Sincerely,

Laurie Potter/vrk
